

COBBLESTONE PAVERS

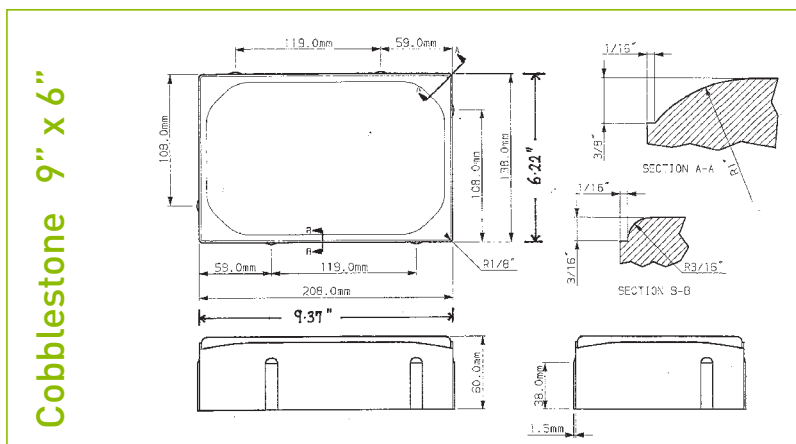

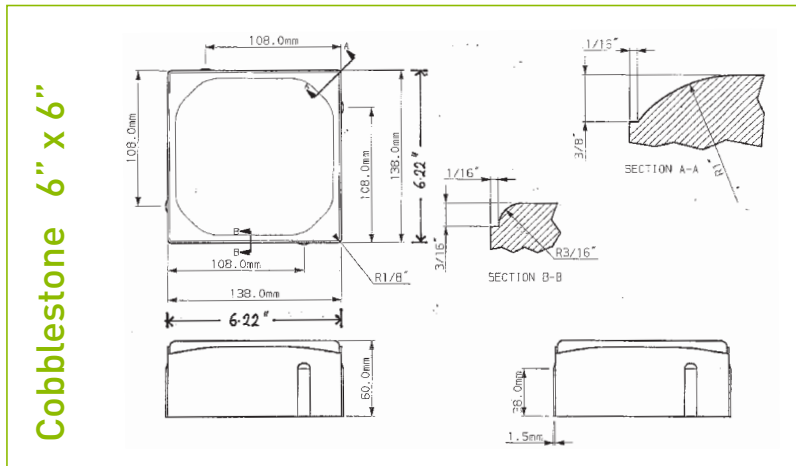

SPECIFICATION SHEET

Herringbone Pattern

Add a touch of elegance and charm to your path or driveway using Flowers Cobblestone Pavers. Flowers manufacture cobblestone pavers in two distinct sizes - 6" x 6" and 6" x 9", and 6 different shades including natural, white, black, grey, brown, and black/brown. We can also pantone match pavers to any specific colour you require.

Use cobblestones to create a variety of playful patterns, such as running bond, circle fan, herringbone and basket weave. You can even mix and match patterns and colours to create your own distinctive design.

Cobblestone pavers can also be used to build patios, pool decks, balconies, steps, sidewalks and other public areas.

Recommended: Mixed Design Pattern

This decorative pattern, combines the 6x6 and 6x9 Cobblestone paver and adds versatility and elegance to any outdoor space.
